Memorial

The memory of Miss Isabella Hilditch will endure through the years in the minds and hearts of students and faculty of Sweetwater Union High School.

When we seniors were sophomores, it was she who was an ever-present friend and counsellor. She was never too busy to listen to our problems, whether large or small. When we were right, she defended us; when we were wrong, she had patience and understanding.

Miss Hilditch was vice principal of Sweetwater and also founder-advisor of Charter Chapter 11, C S F until her retirement in 1951.

Through her teaching we learned that the country was founded upon the Golden Rule and that we, as Americans, should follow that Rule. We remember her as someone always ready with a helping hand and a cheerful word.

Miss Hilditch will never be lost in our hearts, for a person as lovable and gracious as she can never be forgotten.

Our theme this year is
The Devil's Diary

We will show you the
classes you attended...

the activities you
shared with friends...

sports you participated in, and

your instructors who
helped
you along the way.

I Was There

Yes, I was there at the inauguration of President Abraham Lincoln. I wasn't anyone in particular. In fact, I could have been anyone you would have wanted me to be. There was a crowd intense with expectancy; it was a crowd with mixed emotions. There was a young school girl with tears in her eyes; there was a poor man standing towards the back of the crowd.

It was a clear, brisk day . . . on the fourth of March, 1861. I hope my memory serves me correctly in this reminiscence, for, you see, I am quite old.

Before Mr. Lincoln arrived and while the crowds were milling around with some anxiety, I had time to wander back into the past. Back to when Mr. Lincoln was nominated for the presidency of the United States by the Republican Party.

I was there at the opening session of the Republican National Convention held in Chicago . . . It was four days after the opening of the Convention that Mr. Lincoln won the nomination. . . . Then, as the crowd awoke from their stupor, there arose a storm of cheering and shouting . . .

In the weeks to come I saw him change, as though he had taken on a new life. Do not mistake me. He did not change from the simple, good-hearted, honest man that he was before his nomination. In fact, I think that he became more humble. But I saw him take on the burdens and responsibilities with which he had been endowed at his nomination. . . .

Lincoln's objective was to keep this wonderful, young Union together. But I don't think he realized then what a disastrous thing would have to happen before this could be "one nation, indivisible, with liberty and justice for all." As I am reminiscing this inauguration it seems significant to me because we were, in his inauguration, receiving a wonderful leader to carry us through our many trials in the years to come.

Pennsylvania Avenue was becoming extremely crowded now as the time neared for Mr. Lincoln's

arrival . . . I could see very well for I had an advantageous position. . . .

Lincoln arrived on the platform wearing a new stove-pipe hat, a new black suit, black boots, and a white shirt. He was carrying an ebony cane. Before taking a seat he hesitated just a moment to glance at the crowd, then seated himself.

Senator Baker of Oregon stepped forward and introduced Mr. Lincoln as the President-Elect of the United States. There was a slight applause and Lincoln arose, taking from his inside coat pocket his inaugural address.

In that speech of speeches he declared that he would not interfere with slavery in the states where it already existed. He spoke ever so strongly against secession. And in closing he held out a peaceful hand to the South saying, "In your hands, my dissatisfied fellow-countrymen, and not in mine is the momentous issue of a civil war."

Chief Justice Taney . . . stepped forward at the close of Mr. Lincoln's inaugural address. I can remember how Taney's hand shook with age and emotion as he extended an open bible to Mr. Lincoln. Lincoln placed his left hand upon the Bible and raised his right hand as he repeated after the Chief Justice, "I do solemnly swear that I will faithfully execute the office of President of the United States, and will, to the best of my ability, preserve, protect, and defend the Constitution of the United States."

Yes, I was there at the inauguration of one of our greatest presidents. I was there when President Lincoln humbly bowed his head, before retiring, to pray to God for guidance and help to lead this nation to peace which would be enduring. . . .

I was there with President Lincoln through all of his term as President, for, you see, I am Old Glory, the flag of the United States of America.

School Board

J. M. McDONALD
District Superintendent

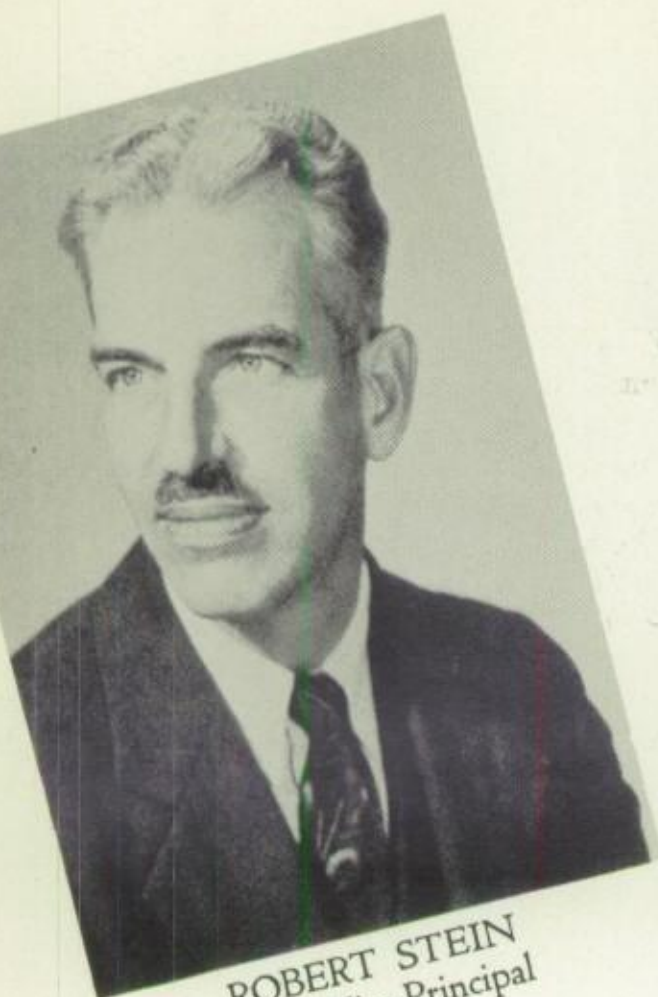

The 1952/53 school year has proven to be one of the most eventful of the thirty-two years in the history of Sweetwater. In spite of the handicaps and inconveniences imposed by our building operations, student and faculty alike, by almost super-human effort, have equalled and excelled the high standards of achievement which are traditional at Sweetwater.

Reward for this effort will come next September when it is expected that five of the six new buildings will be ready for use. We shall be proud of our new school plant and inspired to even higher achievements. Even though, as time passes and new teachers, new students and new buildings replace those of previous years, we who love Sweetwater know in our hearts that its highest destiny will be achieved in the years yet to come.

GOVERNING BOARD

ONNA B. BUTTS

ALLEN A. CAMPBELL
Principal

Sweetwater Union High School, or Su-Hi as the school is affectionately known to all students and alumni, has been throughout the 32 years of its existence, National City's principal training center for enlightened American citizenship. From its halls and classrooms have gone, and will continue to go, young men and women imbued with ethics, decency and character so essential to the welfare of our nation.

The senior class of 1953 will be the last group to graduate from the original Sweetwater structure. Succeeding classes will know a new school building, wrought by the long and careful planning of the Board of Trustees, and Superintendent J. M. McDonald, of the Sweetwater Union High School District, with the united support of citizenry of the community. The new buildings will contain new and more adequate facilities for the education of youth in future years. Equally important will be the transfer and continuance of the richly traditional school customs and ideals of the past. Upon the strengths developed, students and faculty will study and work together, in company with all American public schools, to insure the ability of future citizens to distinguish between truth and falsehood and thus improve our chances for freedom.

FACULTY

We the students of Sweetwater are proud to present our faculty in the Red and Gray.

A school does not grow and prosper without reason. Sweetwater High School could not have become what it is today without the untiring effort and good leadership of its teachers.

NIGHT SCHOOL

The department of adult education offers classes leading to evening high school graduation, as well as health, physical education, commercial, homemaking, and vocational training. Adult classes meet in various parts of the Sweetwater Union High School District. There are no tuition fees. Adult students provide their own materials, books and supplies. Sweetwater Evening High School, established in 1934, is one of the few such schools which is fully accredited by the University of California. In 1934 there were two adult graduates; in 1953 approximately sixty will receive evening high school diplomas. There are some 400 such alumni at this time.

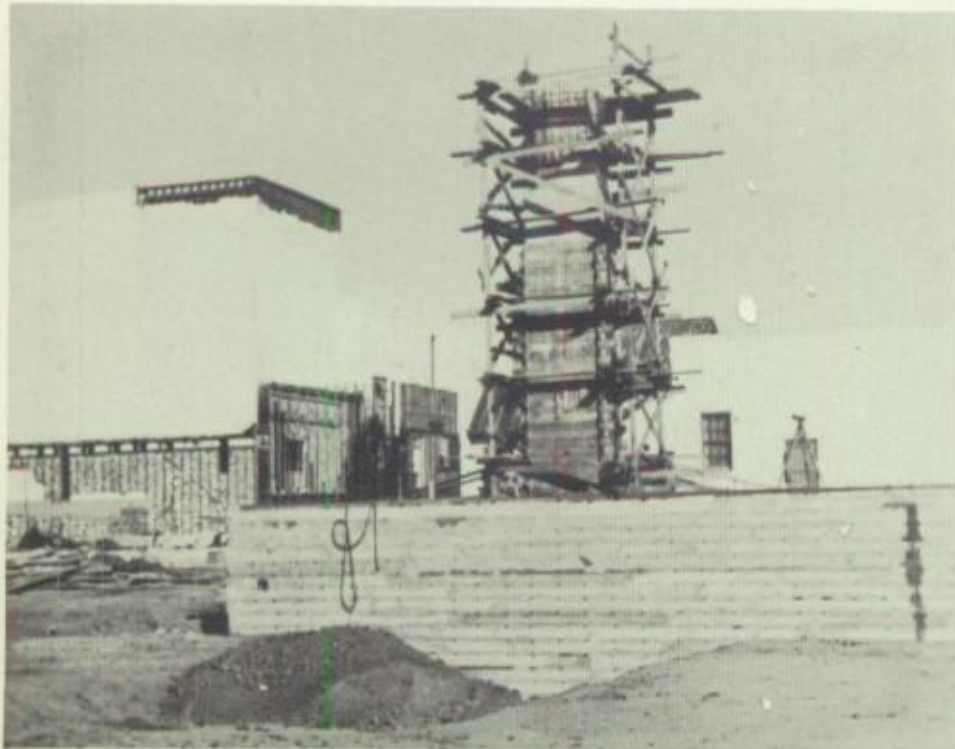

Edward J. Hawken, Esther Hanson, P. Errett Killion.

SWEETWATER GETS IT'S FACE LIFTED

The graduating Seniors have watched with mixed emotions the beautiful new buildings that will rise out of the shapeless boards which have cluttered the campus for so long. There will be five new buildings in all, including an administration building, an addition to the shops, a science and home economics building, a multi-purpose room, and a classroom building.

Sweetwater's 1953 football team will be making their kick-offs and tackles on a field stretching from north to south. All the Sweetwater students who will be sitting in the bleachers along D Street, with spirit renewed, will be cheering them on.

Although the campus will have a new appearance to outsiders, the memories which we seniors hold in our hearts of our happy days here can never be destroyed.

STUDENT GOVERNMENT

Student government plays an important role in the life of each Sweetwater student. It controls our clubs, supports our athletics, music and speech programs, and sponsors various social activities. The strength of a student government depends upon the number and enthusiasm of its supporters and the benefits derived by the student body is a direct result of the efforts injected into it.

Our officers and legislature are elected by a direct vote of the student body. The legislature is the governing body and consists of one member from each English, U. S. history and civics class. Our commissioners are chosen by the legislature. The various departments of the school are represented in the board of commissioners. Our success and efficiency this year can definitely be attributed to the wholehearted support given us by the entire student body.

Dear Diary:

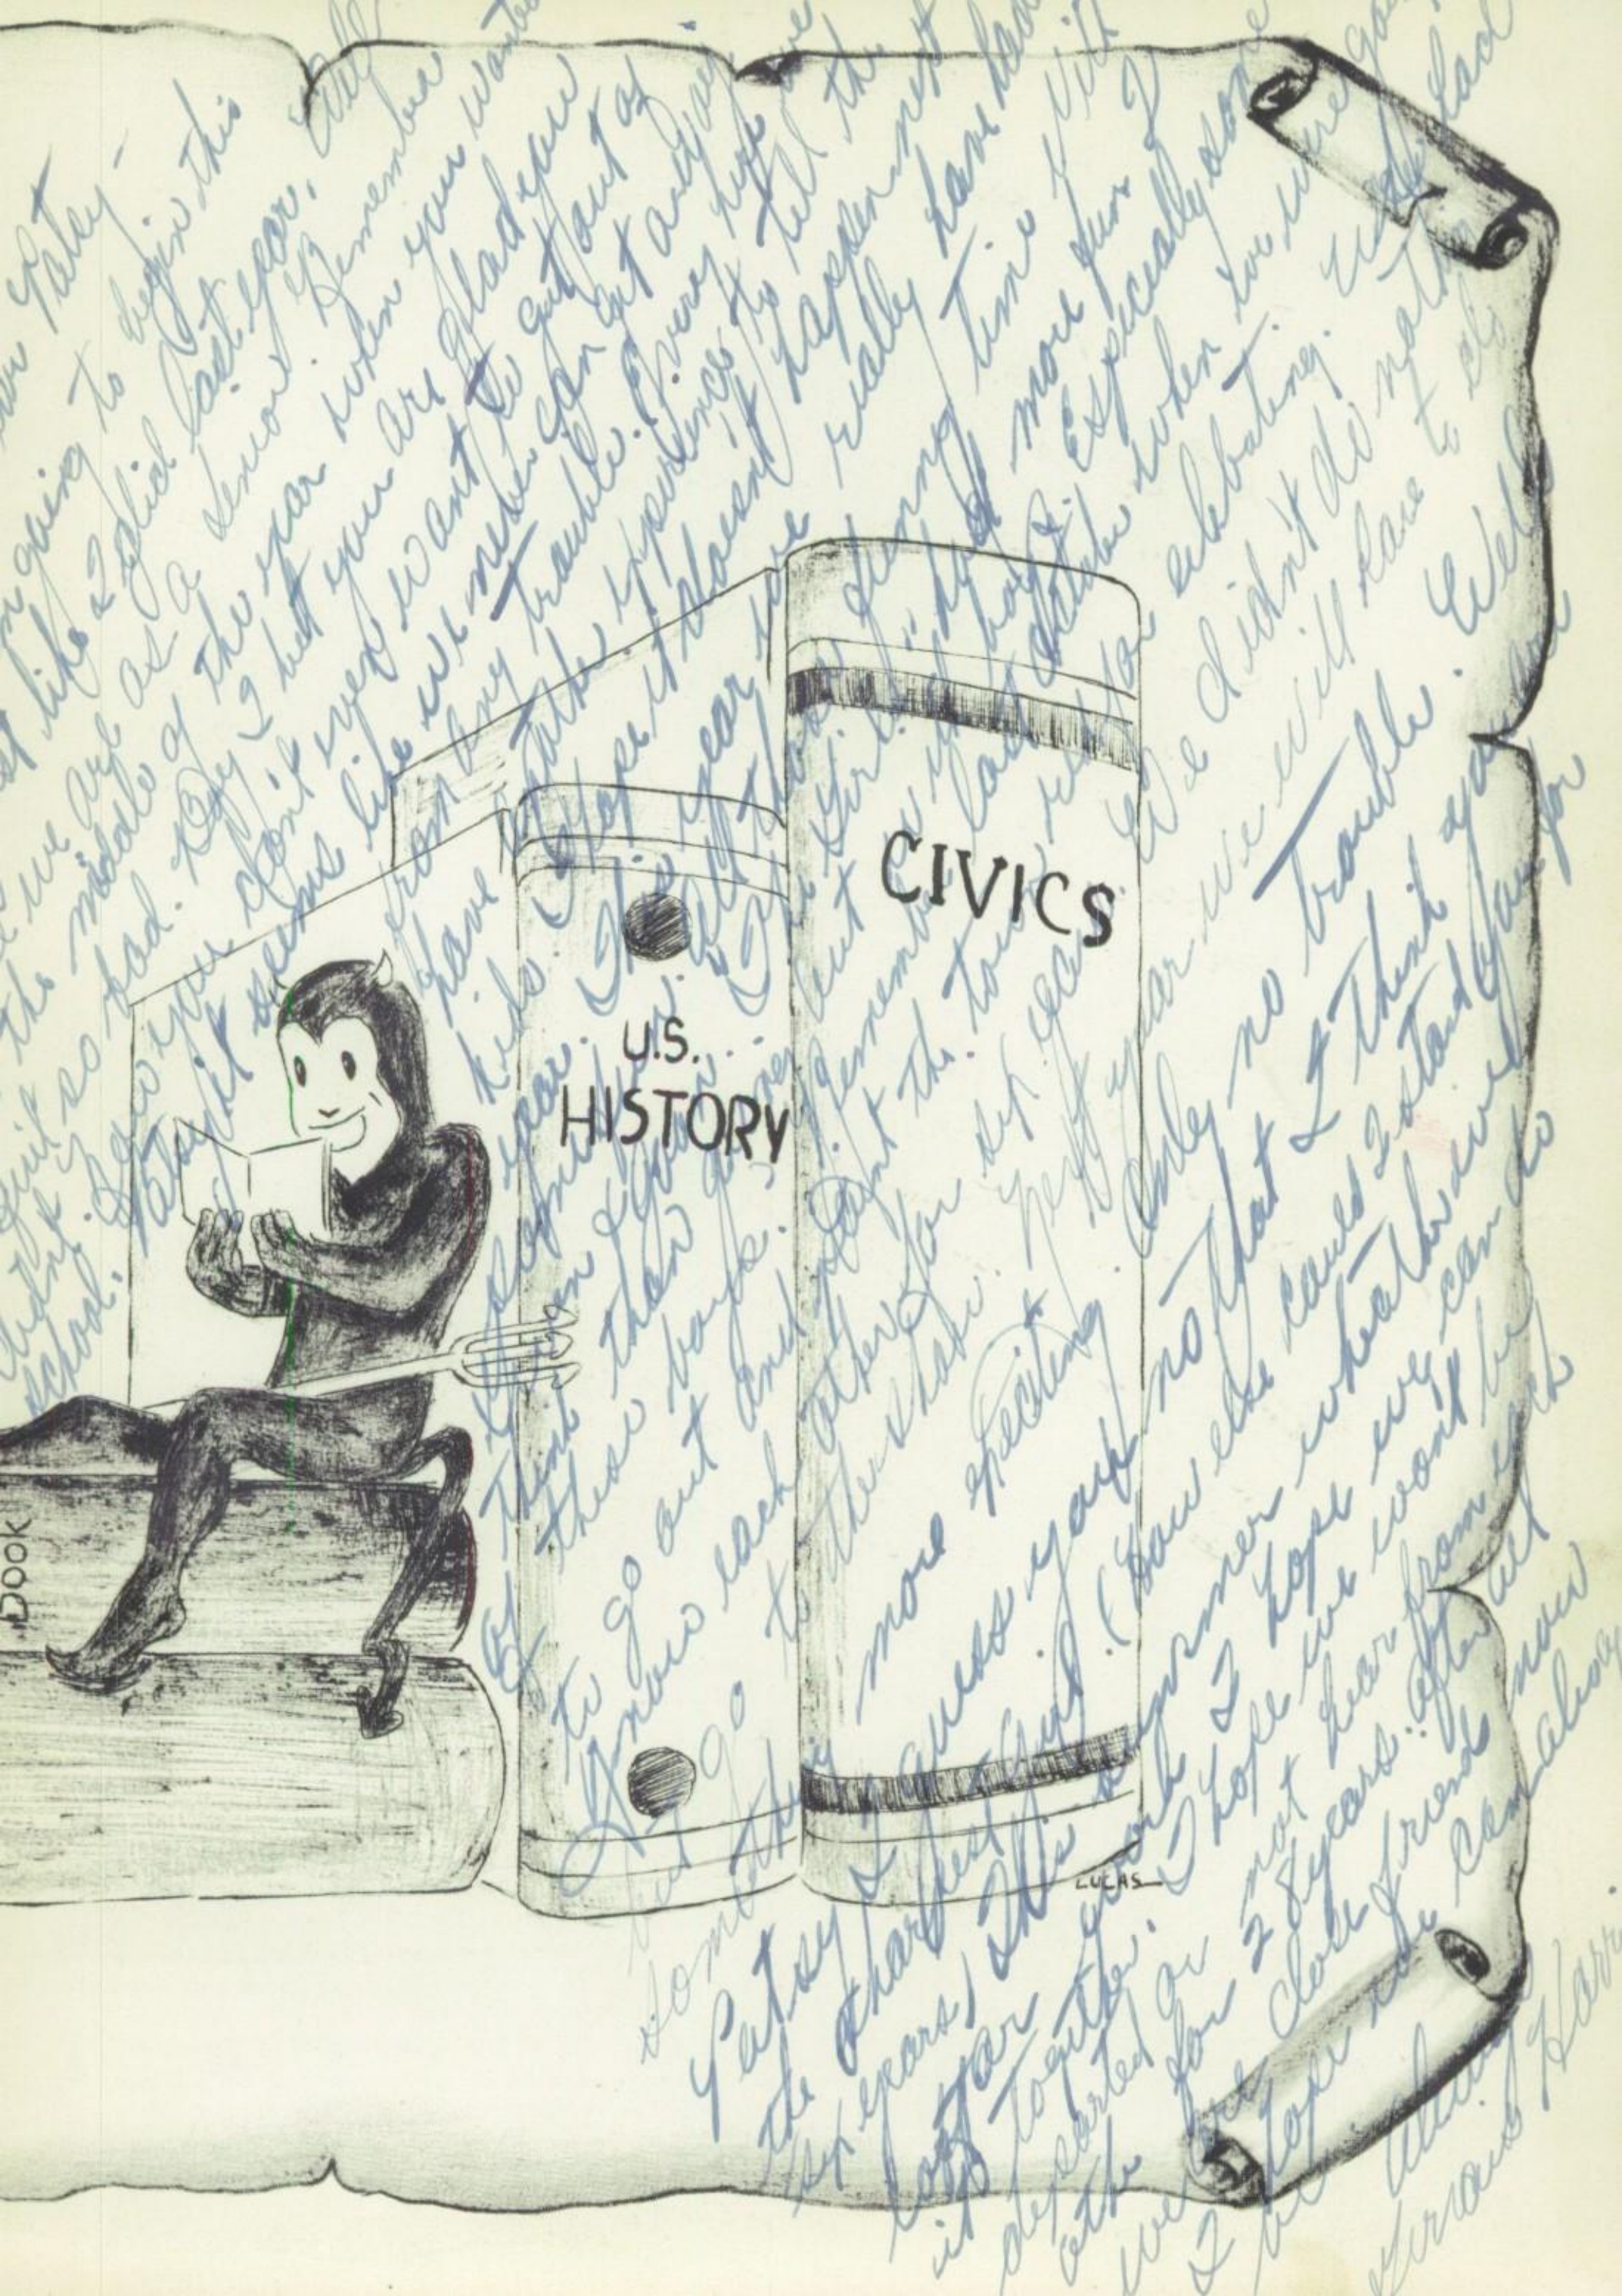

Ever hear the Seniors talk?
Or really watch the way they walk?
They cut up in class when they are there,
But being Seniors, that's very rare.

The Juniors aren't so bad in many ways,
But what they're doing is counting the days,
Until they can take the Seniors place,
In the world which they are to face.

When Sophomores arrive they're timid and shy,
For to Junior High they've said their goodbye.
But now that they've been here for quite some time
They're learning fast and doing fine.

Julie's, football, the Devils' den,
Ditch day, and the Lettermen,
All these things go to make
All the Sweeties really great!

ENGLISH
O

As Sophomores we first gazed at the awesome structure in which the last three years of our school life would be spent. We were all nervous and felt timid among the smirking upper classmen, but this feeling soon passed, and we dug into the hustle and activity of the new surroundings and soon felt that we were a part of our school.

The days flashed by very fast, with football games, clubs, and all other activities making every day full of interest to all students. Soon, as the year drew to a close, and the Seniors were preparing for graduation, we realized that we were nearly Juniors.

With vacation over, another year loomed before us, but Sweetwater had become our home-away-from-home. Gone was our fright of beginning the first day. We now took on the slight smile of superiority which began to grow on us as the days passed. This Junior year was only the secondary stage of a Senior in the making, so we plunged into our work with a new drive, that of becoming a Senior. The greatest day for Juniors arrived at the end of the Senior assembly, the time came, and we all stood and yelled for the first time, SENIOR B!

Little do I have to explain the first day of being a Senior, for we had experienced both Sophomore, Junior, and Senior feelings. All that is Senior is carried by us today. On graduation day, we will look back in memory on the most happy days of our life. We are proud of our accomplishments as Seniors at Sweetwater.

PRESIDENT

Senior Officers

JACK STARK

The Senior class of 1953 was ably governed by a fine staff of officers and representatives which the class themselves chose. The Senior Executive Cabinet, as this group is called, was responsible for instigating many Senior activities including the Senior sponsored Christmas dance "The Snow Ball", and a Senior sponsored skating party. To them the Seniors owe a vote of thanks for selecting their graduation announcements with the picture of the real Sweetwater inside the cover, the Sweetwater as they remembered it and lived it, for they are among the last to have this privilege.

To be an officer or representative of the Senior class is a real honor and privilege. The Class of '53 chose wisely and well; they will be remembered as one of the finest graduating classes with one of the finest administrations that Sweetwater has had.

Redman.

Junior Home Report Groups

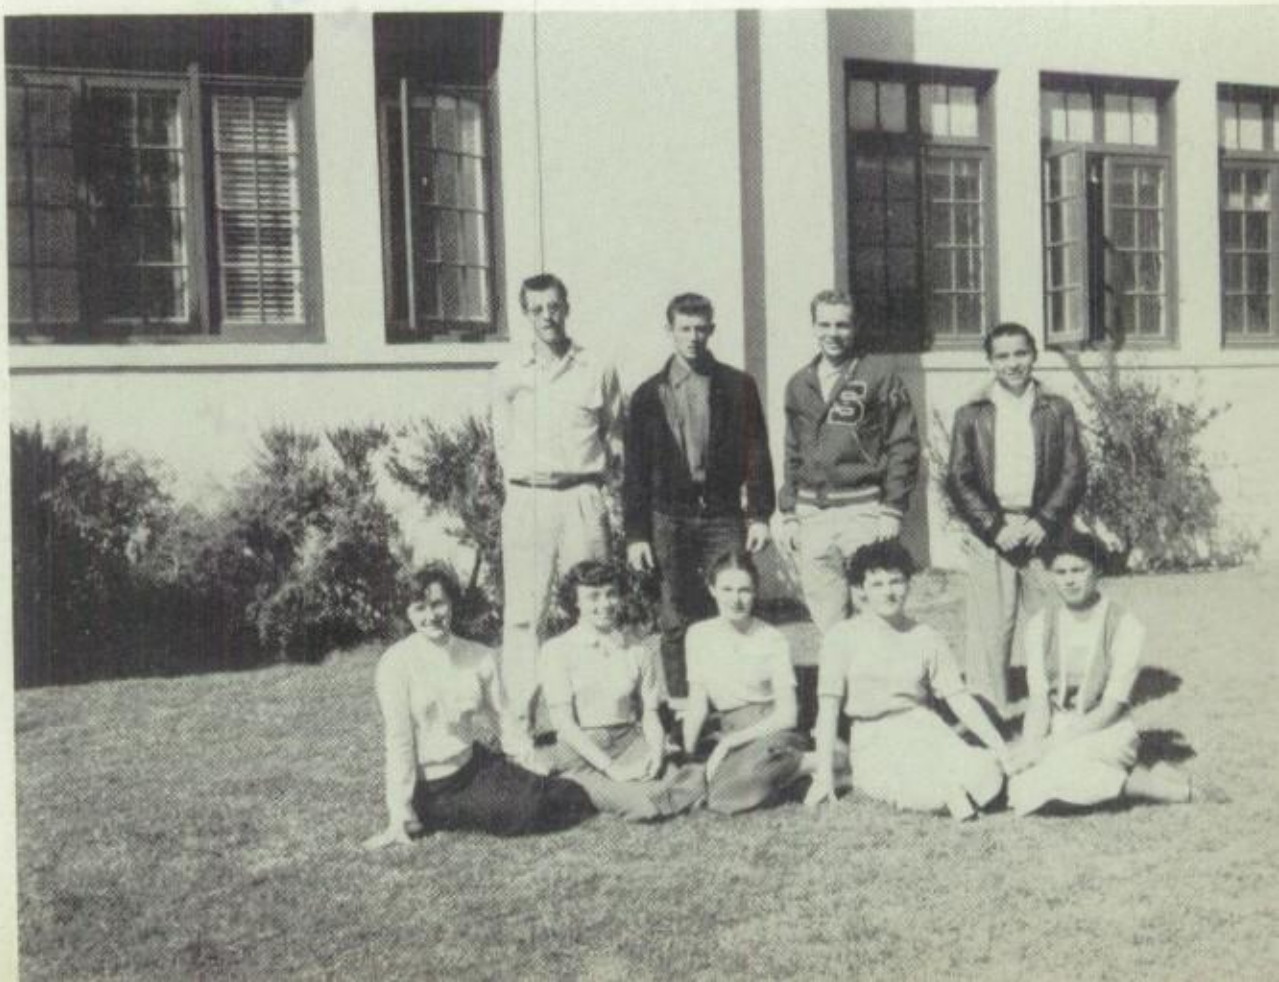

In 1951 we entered Su-Hi as sophomores. We were excited and maybe a little frightened. By the end of our Sophomore year we decided Su-Hi was a pretty swell school and were looking forward to our Junior year. Now we are at the end of our Junior year and will soon be mighty Seniors. We will try to make the class of '54 the best graduating class Su-Hi ever had.

Sophomore Home Report Groups

FIRST ROW—D. Lang, A. Amster, J. Wium. SECOND ROW—D. Tanasse, C. Bennett, D. Kuhlow

CLASS OF '55

The class of '55 has done surprisingly well this year. It has organized a sophomore council, participated in almost every club in the school, and shown great promise in sports. As an example of sports is the B football team which lost only its first two games, consisted mostly of sophomores.

If the class does as well in its Junior year, it may possibly bring first place in football to Sweetwater in its Senior year.

This class has great school spirit and shows a lot of promise. We predict that it will probably be one of the best and highest rated classes in the history of Sweetwater Union High School.

Annual Band Concert To Be Held On Feb. 27

It's concert time again. This year, as before, Sweetwater's Band and Orchestra, under the direction of Mr. Ian Skinner, will put on a series of numbers designed everyone's enjoyment. The concert will take place in National City Community Building on Friday, Feb. 27. Tickets will be fifty cents.

The concert theme is "Over the Rainbow". The program will include such numbers by the orchestra as "Procession of the Master Singers" by Wagner; a novelty number, "Pop Goes the Weasel", arranged by Caillet; "Chop Sticks", arranged by Evans; and "Persian Market" by Ketelbey with solos by Martin Greenlee on the bassoon, Ellis Sage on the oboe, James Bryant, clarinet, and Louis Jerdo, violin.

Robert Cheek Soloist

Numbers by the String Orchestra will be "Invention in F" by J. S. Bach and "Chorale" by F. J. Hayden. A solo, "The Big Bass Viol", arranged by Yoder, will be played by junior Robert Cheek on the string bass. This number will be accompanied by the Orchestra and a Chorus of selected members of the Orchestra.

Band Numbers Named

Band numbers will include: "Niobe" by deRubertis; "Mexican Hat Dance," arranged by Bennett; "The Brave Tin Soldier" by C. Coons with narration by Gloria Hodge; "At the Gremlin Ball," Hill; and three marches: "The Thunderer" by Sousa; "Glory of the Trumpets," Brookshire; and "Indiana State" by Farrar. John Hammer will play a trumpet solo, "My Regards" by Llewellyn.

In charge of the decorations is Gloria Hodge; Mrs. Elsie Ostrom and her office training class will do the advertising and programs, while Mrs. Jerelyn Sparks and her commercial art class make posters. Ray Willard has charge of general arrangements and tickets.

Junior Class To Pick Ring

The junior class council has met with three senior ring salesmen and have seen a number of handsome rings from each. They will meet again after the salesmen have their best liked ring made up with Sweetwater crest on it. They will decide among three rings. In case of a tie the vote will be left up to the junior class. Making up the committee are President Jim Redman; Vice President Eric Enell; and Secretary, Pat Thompson. The representatives are Carol Crawford, Joy Rasmussen, Judy Geraci, Barbara Elms, Don Magee, Dennis Robbins, and Gilbert Inzunza.

Four Senior Boys Pass NROTC Test

If they pass the physical, they will be eligible to attend any College accepting NROTC credentials.

James Seebold, grad of '51, now attends Stanford on this same program.

Durham Selects Representative

"I think that it would be a valuable organization for school to actively participate stated Barbara Durham, who named to attend a meeting California Association of Student Councils at Helix High on Jan. 21.

Barbara learned that CASC is an active organization which brings the student governments of the California schools into closer association and promotes good fellowship among them by discussing their common problems and promoting inter-school social activities.

The next meeting is to be held Feb. 18. One of the questions for discussion will be school athletic awards.

The Toastmaster's Area contest was held at the Chula Vista Women's Club on Jan. 28. There were five schools participating with a total of 10 contestants, two of whom were Jim Boston and Connie Greaser. Jim and Connie took second and fourth places respectively.

Pink

It was "Pink Magic" and a vacation in Mexico for the Senior class when they presented one of the best Senior Plays ever in the person of "Pink Magic".

Heather Dinnes starred as "Lambie", a sad little ugly duckling with a high IQ but a burning ambition to be a "great loveress". She received full support from Beverly Bender and Jo Anne Mouteer as Corney and Horty, two sophisticated gals who "spoke quite highly of kissing."

John Southwick and Elvis Chaffin, as Wally and Kimball, two highly eligible young boulevardiers, were foil for the romantic inclinations of the vacationists.

Others in the cast were Esther Hastings, Florence Rusk, Lynn Condon, Jim Bryant, Robert Lopez, Mike Barfield, Pat Riggs, Ray Willardson, Joleen Robinson, Barbara Durham, Bob Pallas, Jim Boston, Theda Johnson, and Anne-Marie Olmstead.

Dear Diary:

Football, baseball, a big track meet.
Sometimes they lose, but mostly they beat.
Full of power, pep and speed,
They always come through in time of need;
Always work hard and on the run,
We couldn't do without them, everyone!

Good Luck
To a sharp Chick!
And Fine Friend!
GEORGE ROSAS

Pat;
 Yours really a sharp guy

Queen Lorraine Reigns

October 17, 1952 was a great day for Sweetwater Students and alumni. It was homecoming, one of the most enjoyed and remembered days of the year.

The day started off with an assembly in the morning at which various alumni and former teachers were presented. Forrest Raymond, advertising manager of the San Diego Gas and Electric Co. spoke on making decisions and Miss Eunice Harris told about Mr. Guy Hudgins, former Su-Hi Principal, and the man for whom Hudgins Field is named.

The Football Queen was crowned just before the Coronado-Sweetwater game at 2:30 that same afternoon. Our queen was lovely Lorraine Quinlan, a real Sweetie with long brown hair and big green eyes.

"Sweetwater never loses a homecoming game," and this saying certainly held true as the Red Devils stomped on the Green Wave's to the tune of 34-19.

The 1952 homecoming ended with a wonderful dance at the Community Building for Su-Hi students and '50, '51 and '52 alumni and a dinner dance at the El Morocco for the faculty and older alumni.

Homecoming Day activities were highlighted by the pre-game crowning of the Football Queen. The lucky gal was pert Lorraine Quinlan.

Queen Lorraine was escorted from her car by co-captains John Nash and Pat McCormick. They were followed by her attendants Marilyn Hart, Beulah Gay, Beverly Hartson, Kay Simmons and their escorts.

The Queen was crowned with a football helmet and presented with an autographed football. Both the Queen and her attendants were given chrysanthemum corsages.

Varsity Football

FIRST ROW — J. Boston, T. Aguilera, D. Magee, P. McCormick, H. Bachelor, J. Nash, M. Leinsteiner, D. Lindsay, S. Nelson. SECOND ROW — J. Balough, C. Stephenson, M. Greenlee, R. Garcia, S. Coss, P. Pena, H. Channel, T. Damion, D. Tomlinson. THIRD ROW — G. Meyers, R. Talley, G. Davis, H. Price, P. Willcoxson, J. Redman. FOURTH ROW — E. Borbon, B. Alderman, E. Enell, J. Nausler, H. Shelby, A. Cottee, B. Alderman.

With a comparatively inexperienced team Sweetwater got off to a bad start but improved rapidly to become a leading threat in the Metro League. A four win; three loss record gave Sweetwater a fourth place in the Metro League.

Sweetwater's powerful team was sparked by Don Magee's top-notch passing to ends Don Lindsay, John Nash and Art Cottee. At the fullback spot was Jim Crabb and John Nausler. The Red Devil line was led by guards Pat McCormick, Jim Boston and Tony Aguilera, with Bob Wilcoxson and Howard Shelby at tackle. John Nash and John Balogh did especially well at defensive end and at the linebacker spot were Ed Borbon and Lucas Marin. Wiley Britt did an excellent job kicking extra points.

The Red Devils traveled up the coast for the opening game of the season, to edge past Newport Beach 7 to 6. The following week the Red Devils were downed by a powerful Helix team 7 to 0.

The first Merto League game, despite the Red Devils loss to Oceanside 19-7 was quite costly as we lost the services of Mike Leinsteiner and Jim Redman for the rest of the season.

With all of the backfield out, due to injuries, Sweetwater traveled to Escondido to bow out 14 to 6.

Sweetwater climaxed Homecoming festivities by defeating Coronado 34 to 19 for the first league victory.

The Red Devils then trounced Mar Vista 34 to 0, followed by the victory over San Dieguito 39 to 0.

The heart-breaker of the year with Chula Vista, our chief rival, left everyone dumfounded by an after-the-game play that gave Chula Vista the game 14 to 13.

Sweetwater ended the football season playing Vista in rain and mud. The Red Devils, handicapped by Vista's early lead, came out the victors 26 to 7.

Varsity Games

The Sweetwater eleven took to the field October 7 against their rivals from Coronado to win a rugged homecoming 34 to 19.

A combination of Crabb and Lindsay, both injured previously, scored 24 points between them. Ray Garcia thrilled the fans with a 55-yard punt return for a touchdown. A pass from Magee to Lindsay was good for 19 yards and a victory for Su-Hi.

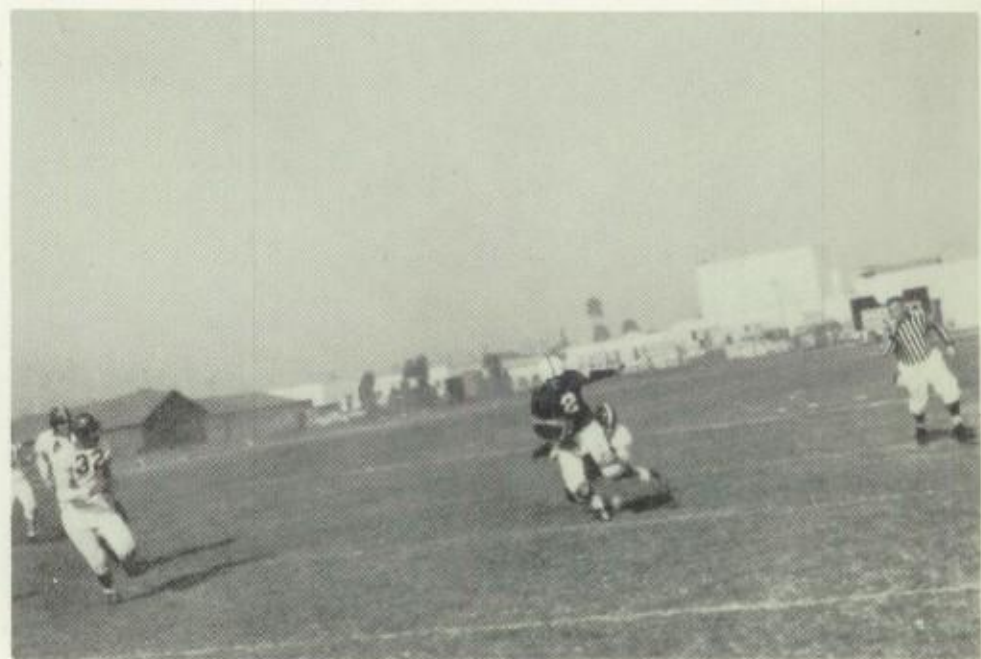

Sweetwater packed plenty of power to romp on the Mar Vista Mariners 34 to 0. Su-Hi was in command from the start with Don Magee tossing three touchdown passes to Jim Crabb, John Nash and Art Cottee.

Ray Garcia ran back an intercepted pass for 55 yards and six points. In the second half Dick Tomlinson hit Bill Alderman with a pass play that covered 65 yards and a touchdown.

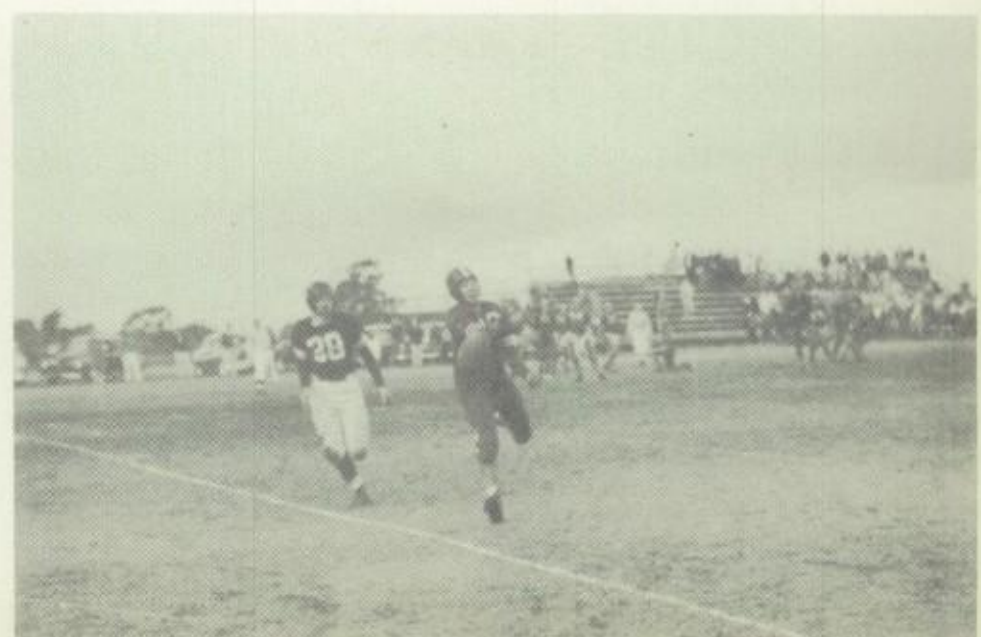

Chula Vista stumbled past Sweetwater to win their homecoming game by 14 to 13.

Unnecessary roughness was called on Sweetwater as the game ended giving Chula Vista a chance to score after the gun was fired.

Oceanside's Pirates led by C. R. Roberts fought their way to a 19 to 7 victory over Sweetwater.

Oceanside scored early but the Red Devil eleven roared back and tied up the game in the second quarter, only to have the Pirates pick up two more touchdowns.

"B" Football

FIRST ROW — Manager B. Victel, P. Speake, E. Vega, C. Barnes, J. Parker, C. Wayne, M. Dominguez, B. Southard, A. Redman, J. Hines, R. Mitchell. SECOND ROW — J. Barajas, R. King, D. Techonchuk, E. Brodie, N. Wolf, Coach Parker. THIRD ROW — Assistant Coach Weldon, C. Cope, R. Cheek, J. Ogden, H. Nichols, L. Mendoza, A. Pena, D. Sager, P. Gutzmer, J. Pena, F. Inzunza. FOURTH ROW — D. Stevens, J. Hammer, M. Varela, G. Varela, J. Hackenberger, C. Loya, R. Price, H. Lucero.

Sweetwater's Bee team, coached by Tom Parker, was sparked by the running and passing of Curt Barnes, Corky Thomas and Carl Wayne and an excellent defensive line.

The Bees lost the two opening games but came back to win the remaining five and to capture second place in the "Bee" Metro league.

Escondido overcame the Red Devil Bees 14 to 7. Sweetwater's lone touchdown came on the first play when Curt Barnes ran 70 yards.

The Devils, who could write off the first two games as experience, recovered from their slump and trounced Coronado 14 to 6.

The Mar Vista team lost to the Devils 26 to 6 and Dieguito was trampled 28 to 14.

Playing against a favored Chula Vista team, the Sweetwater Bees took Second place in the league by defeating the Spartan Bees 20 to 14.

The Devils Bees climaxed the season by overpowering Vista 26 to 0.

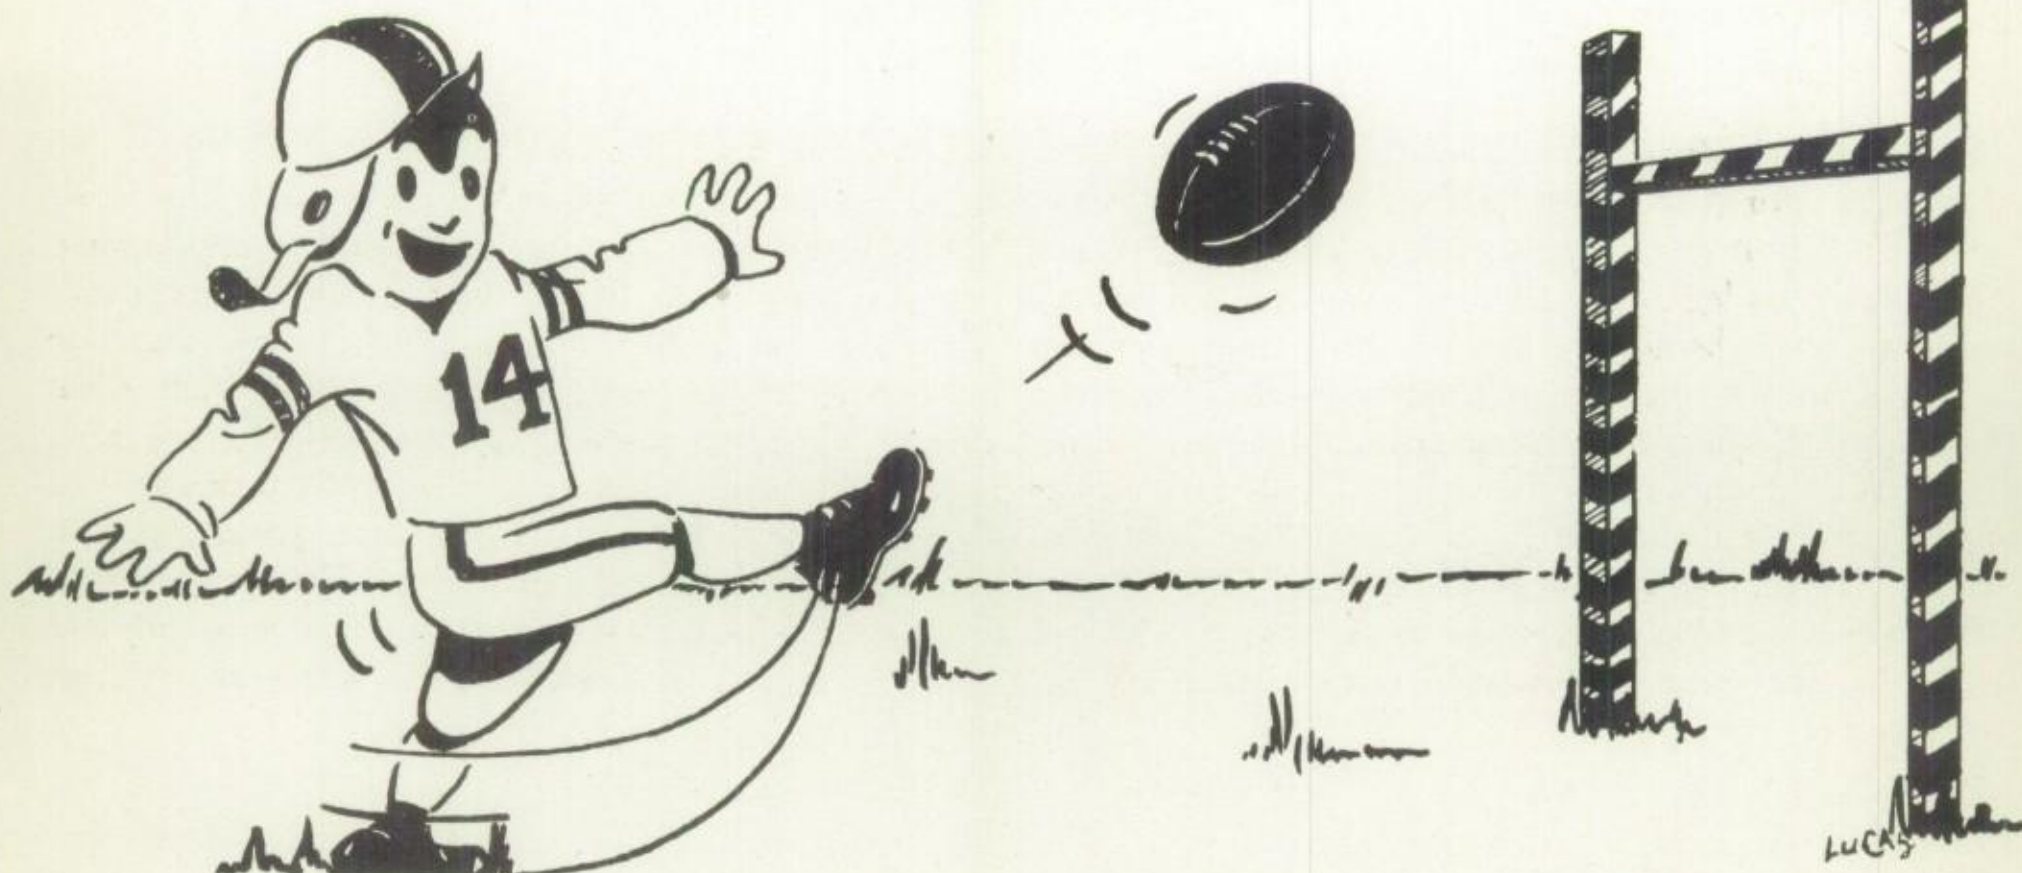

"An afternoon of football is much more enjoyable than an afternoon in the office." So says the team physician, Dr. Mross. Both the football team and their coaches performed with more confidence, knowing that such an able physician was on hand to take care of their injuries, serious or not. Dr. Mross did a fine job psychologically as well as physically for the boys, and his services were appreciated by them and their coaches.

Sweetwater Varsity Basketball team, coached by Mr. John Weldon, finished in a last place tie with Vista. All of the first string, composed of Don Lindsay and Jack Stark at forward, George Meyer at center, and John Nash and Mike Leinsteiner at guard, will be graduating. Wiley Britt, a reserve at either guard or forward, is also leaving. Wiley broke his leg during Christmas vacation and was unable to play very much. Bill Johnson, another Senior, didn't see much action because he arrived late in the season from Colorado. Ed Borbon, a Junior, will be back next year to hold down the first string starting position at forward. Troy Moody will be trying for a job at center while Allen Redman, Neil Wolf, Ronald Parker and Ray Pena will be trying for top notch positions on the 54th Red Devil team.

Brown Military fell victim to the Devils on February 3 when the Su-Hi Hoopsters threw in 64 points for the highest score of the season. But on the other hand Mar Vista held the Sweeties to 22 points on January 20. In league play the Devils won 3 and lost 11. In non-league play the Cagers lost 10 and won 5. The Devils scored 1090 points the whole season for an average of 37.8 points per game. John Nash led all Su-Hi scorers with 222 points for the season. Tommy Nilson was head manager and was assisted by David Nielsen who also served as score keeper.

FIRST ROW, LEFT TO RIGHT — T. Mendoza, B. Johnson, J. Dalhen, J. Barahas, J. Parker. SECOND ROW — Mr. Newlee, N. Trivett, J. Crowell, D. Tomlinson, J. Blayock, H. Lucero, L. Horning.

This year's Bee Basketball team was under the leadership of Coach Barney Newlee. The Devils had a record of 7 wins, 13 defeats for the season. In Metro League play the Devils had 5 wins against 9 defeats, which was good enough for a fifth place in the Metro League standings. The usual starters for the season were Dick Tomlinson at center, Lupe Mendoza and Jim Parker played at forward, and Bill Johnson and Norm Trivett started at the guard positions. Henry Lucero and Jerry Blaylock also saw considerable action. Tomlinson had to quit mid-way through the season because of a hand injury he received in practice. Other members of the team were John Barajas, Armando Garcia, John Dahlen, and Tom Carroll.

Mendoza was chosen for a first string berth on the All-Metro League team. He led the Red Devil Bee team in scoring with 266 points. In League play he scored 216 points which led the Metro League in scoring. Johnson, who was the Devils' second leading scorer with 140 points, was honorable mention All-Metro.

Other leading scorers on the team were Tomlinson with 75, Trivett with 61, and Parker with 54.

The Bees played their best game of the year against Vista, which they won 65 to 41. In that game Mendoza scored 43 points. Another high scoring game was when the Devils romped over Vocational 50 to 13.

The Bees were at a disadvantage this year because of lack of height. The team scored 728 points for the season.

Varsity Track

FIRST ROW — R. Himmer, W. Schwartzah, J. Gonzales, G. Inzunza, A. Hennesay, R. Webster, T. Nielsen, Manager.
SECOND ROW — Coach Parker, H. Barber, E. Vega, E. Borbon, J. Hammer, D. Robb, R. Parker, B. Willcoxson. THIRD
ROW — G. DeLucia, M. Greenlee, H. Gallardo, D. Sager, D. Sylvester, S. Coss, C. Hartwell.

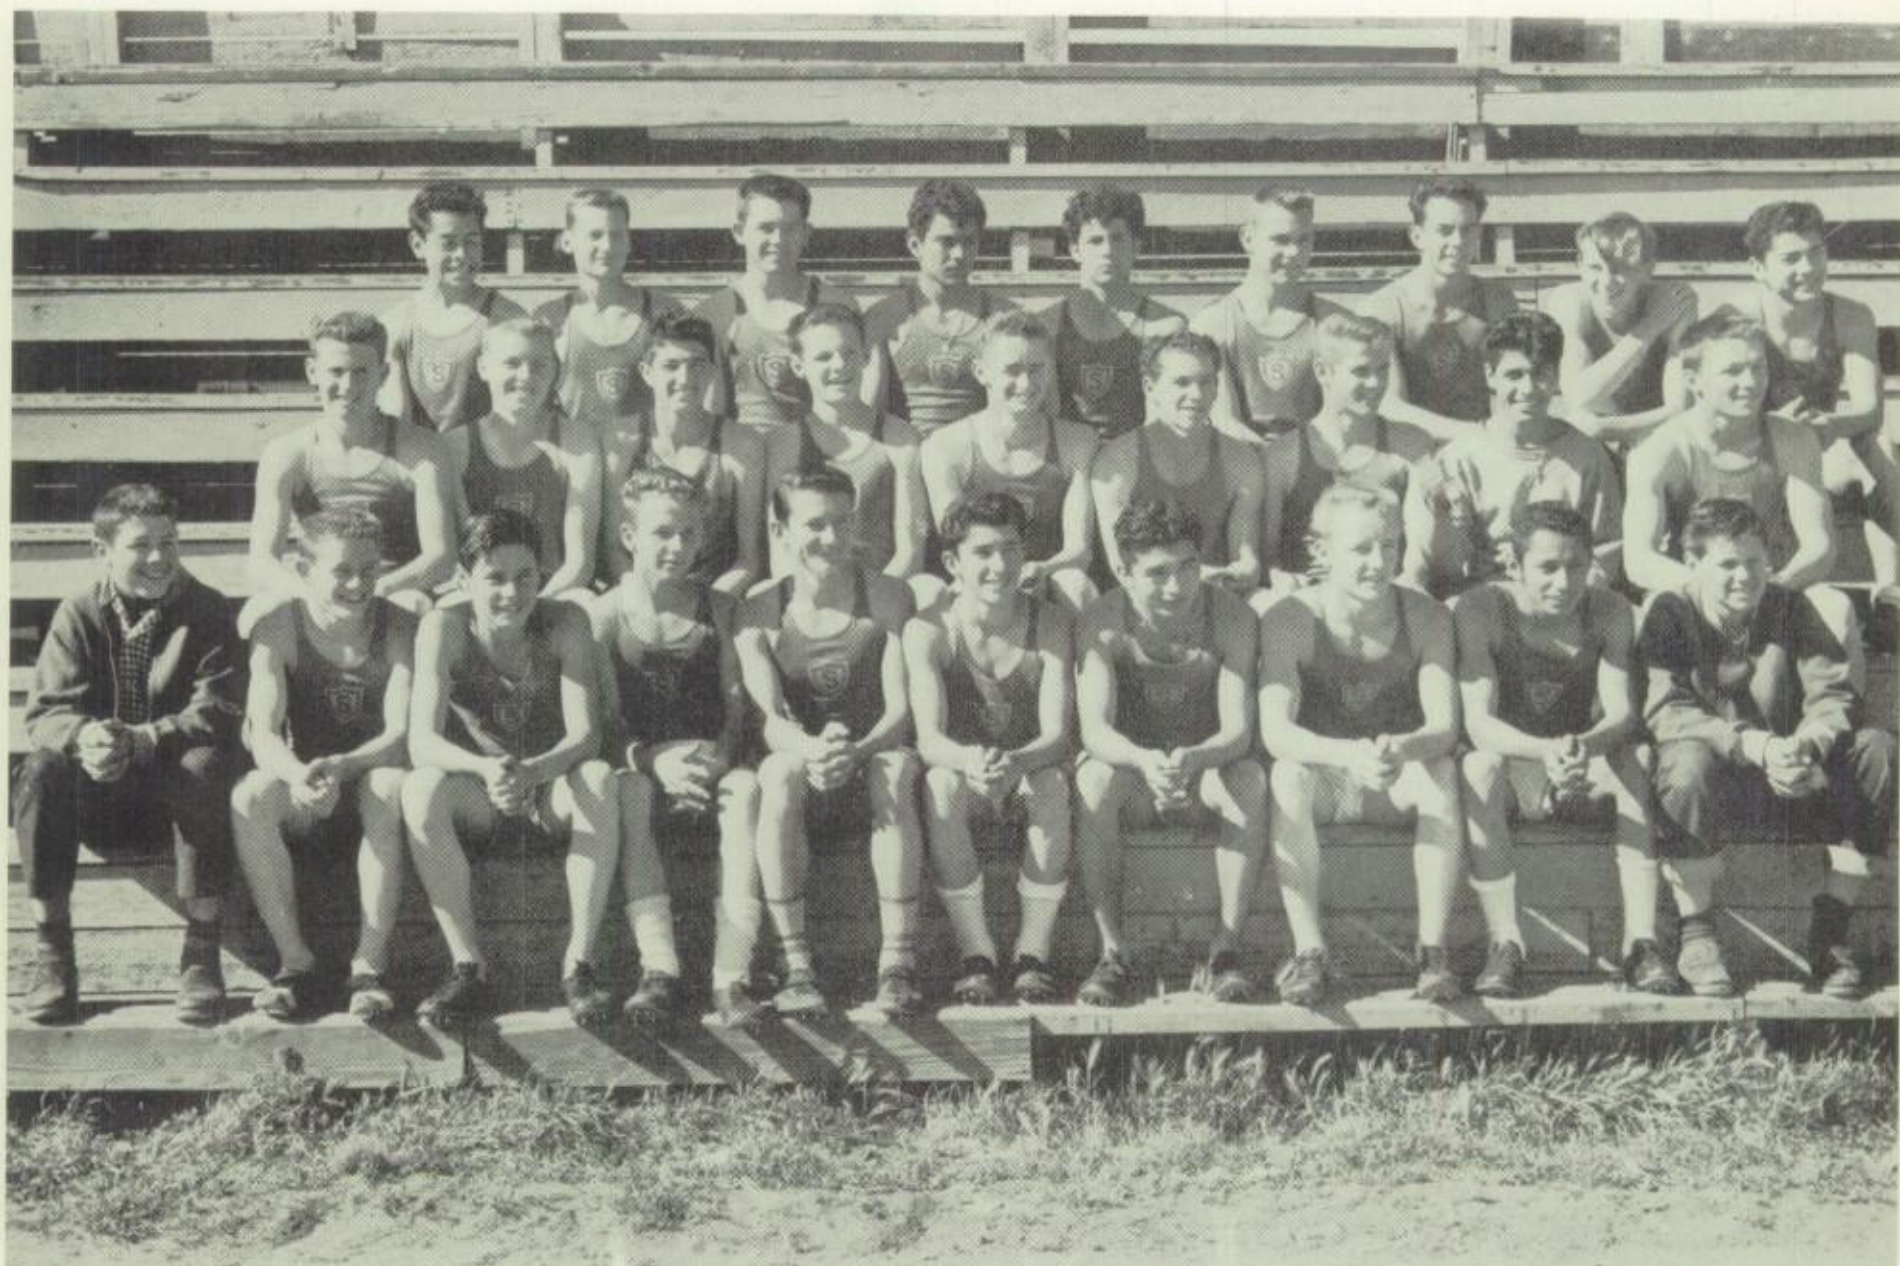

This year's Varsity Track Team, under the leadership of Coach Tom Parker is out to better the third place of last year. This is Parker's first year as track mentor.

The team has some good first place men, but lack depth in most events. Bill Alderman seems to be one of the best hurdlers in the league. Bill has run the 120 highs in 15.9 and the 180 lows in 21.2.

Warren Schwartzah and Eddie Vega are leading sprinters with Buddy Alderman top quarter miler. In the mile Art Himnessy, Barry Southard and Robbie Webster make up one of the league's best mile trios. In the field events Ed Borbon and Norman Trivett are the top high jumpers. Gerald Graham, who is top shot putter, is improving in every meet.

Douglas Robb, Russell Himmer and Melvin Varela are top pole vaulters. Buddy Alderman has the jump in the broad jump. The relay team consisted of Eddie Vega, John Hammer, Billy Alderman and Russell Himmer.

"B" and "C" Track

FIRST ROW — B. McCormick, Manager, J. McGlynn, D. Holmes, B. Smith, A. Pena, J. Barajas, P. Peddicord, J. Pena, L. Horning. SECOND ROW — F. Hall, B. Fullmer, E. Cheek, D. Kemper, D. Stephenson, K. Moore, P. Gutzmer, L. Mendoza, C. Wayne. THIRD ROW — S. Alcaraz, K. Bettencourt, B. Brodie, S. Morales, M. Varela, J. Dahlen, G. Graham, P. Evans, F. Inzunza.

The Sweetwater "B" Team turned in a praise-worthy performance with a four win, three loss season.

Jerry Aldridge did well in the high jumps; Sammy Alcaraz in the high and low hurdles; Melvin Varela in the pole vault and Felix Inzunza in the 660-yard run.

Fred Hall, Dwaine Stephen and Salvador Morales ran the relay and the 1320 was run by Eugene Fullmer. David Kempler, John Dahlin and Ed Brodie shot-putted and Bob Evans participated in the broad jumps.

The "Cee" track team made a good showing in the Metro League this year with a record of six wins and one loss. The team showed great strength with only eight members accounted for.

The stand-out for the "Cee's" was Perry Peddicord, leading with 57 points chalked up to his name. He broke the previous 180-yard dash with a time of 20 seconds.

He broadjumps and runs the relay. Perry previously ran in the 100-yard dash.

Armando Garcia was a late comer to the squad but showed a lot of promise. He runs the 120 low-hurdles just as his brother Ray did last year. Armando scored 11 points within four meets and Coach Parker expects big things from him next year.

Another fast sophomore is Johnny Pena. He highjumps, runs the 100 and then comes back for the relay. Johnny will be back next year with Mr. Parker to help the team.

The third member of the relay team is Bob Smith. Bob is more or less a distance man rather than a sprinter, but shows great speed when he has to.

John Barajas is the last member of the relay team and without John the relay wouldn't be complete. He fits in on the shot put and the 180-yard dash.

Rounding out the team is Martin Gamble who pole vaults and shot puts. He has been taking first and second places consecutively through the season.

Jim McGlynn pole vaults and runs the 120 low-hurdles. He has been taking seconds and thirds in most of the meets.

Last but not least is Armando Pena who runs the 600-yard dash and does fairly well against his opponents.

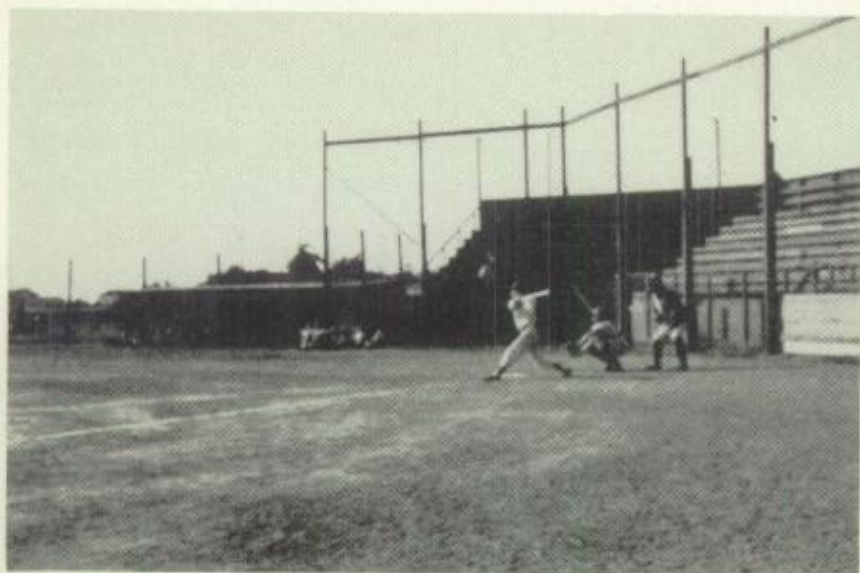

Varsity Baseball
